

25th Anniversary Conversation Series

The year 2021 marks the 25th anniversary of the founding of Smith Center for Healing and the Arts. In celebration of this momentous achievement, we are launching a series of special conversations. Across the course of the coming year, members of our Smith Center family will join us to reflect upon Smith Center's roots, examine its present programs and impact, and imagine what the future may hold for us at Smith Center and the larger world of integrative healing.

Smith Center's Signature Programs:

Artist-in-Residence Program

Featuring Anthony Hyatt, Caleb Hacker, Nina, Scott Stoner, Tamara Wellons, Tiffany Carmouche and Turner Houston.

Monday, February 28th
6 - 7:30pm ET

Suggested Donation: \$25
