How To Create Your Account At SmithCenter.org

When you register for a support group, class, or exhibit, you'll be asked to take 30 seconds to create an account. That's it! Then, you can sign up for any programs or events you'd like.

No login? No problem!

If you do not have a login to our new website, go to [create your account](#). It's fast and easy. Or, you can do this when you register for your first program or event on our website.

1. Complete the [account creation form](#).
2. After you click "submit," you will receive a welcome message:

Welcome to Smith Center for Healing and the Arts!

We're so glad you've connected with us. Your Smith Center account is now set up and ready to go, and we warmly welcome you to our community.

At Smith Center, we believe that everyone's path to healing is unique. Our integrative and educational programs are designed to provide support, comfort, connection, and healing tools that you can explore on your own or within our caring community. Whether you're living with cancer, caring for someone you love, or navigating life after treatment, we're honored to be part of your journey.

When you're ready, you can [browse our calendar](#) to see what's coming up.

A quick note about registration:

To attend a program, you'll need to register. While we encourage registering in advance whenever possible, you're welcome to register just a few minutes before the program begins - you'll still receive the Zoom link in time to participate.

Many of our recurring programs offer a **Series Pass** option. If you see a **Series Pass** on the registration page, you can register once and you'll automatically be enrolled in all future sessions until you let us know you'd like to stop attending. If a **Series Pass** is not available for a particular program, you'll simply register for the one session.

Registering ensures you'll receive an automated reminder with your Zoom link or program details. It also helps us streamline our processes so we can devote more of our resources to serving our community. We truly appreciate your partnership.

If you need help registering, we've created a simple guide: [How to Register for a Program→](#)

Our team is always here to answer questions, help you find programs that may be a good fit, or connect you with additional resources. Please contact us at programs@smithcenter.org if you have any questions.

We hope your experience with Smith Center is meaningful and supportive, and we'd love to hear how we can best support you along the way. And remember - many of our programs are also open to family members, friends, and care partners, so we encourage you to invite loved ones to participate whenever appropriate.

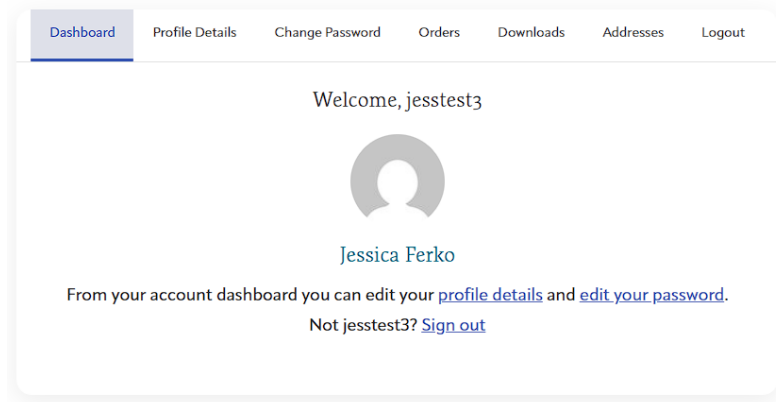

We look forward to seeing you online or in person.

Warmly,
The Cancer Support Programs Team
Kiersten Gallagher and Erin Price, MSW, LICSW, OSW-C
